

February 9, 2018

Dear Prospective Associate Member,

The Arizona Propane Gas Association (APGA) is soliciting Associate Memberships for the 2018 calendar year. In order to attend APGA meetings and to give your company a voice in Association business you must be an Active or Associate Member. Active Memberships are reserved for propane marketers who must also join the National Propane Gas Association (NPGA).

Associate Memberships are for persons, firms or corporations not qualifying for Active Membership, but are interested in the business of the Association. This category includes voting privileges but does not include membership in NPGA. Typical Associate members are vendors, suppliers and service providers.

We also offer Sponsorship Opportunities which include an Associate Membership, registration to our spring and summer meetings and marketing exposure. All Associate membership opportunities are described in full on enclosed **Associate Membership Application**.

Our Spring APGA meeting is coming up on March 13 at Cabela's in Glendale. You must be a member to attend. Please complete the enclosed Membership Application and send it in with a check or go on-line to <https://squareup.com/store/arizona-propane-gas-association> to pay with a credit card. Please send in the completed application either way.

Since the meeting is only 5 weeks away, we will have membership applications at the door and accept payment for both membership and meeting registration on-site.

Please call or email if you have any questions.

Sincerely,

Arizona Propane Gas Association  
Dave Barrett, Vice President
